Share Power BI reports with ease

Binokula provides a simple, secure and scalable platform for you to share insights across your business ecosystem.

SIMPLICITY
Simply powerful. Powerfully simple.
Binokula simplifies report sharing while maximising the report delivery capabilities of Power BI.

SECURITY
Control your data
Set permissions and decide what information users can view and interact with.

SCALABILITY
Software that grows with you
Binokula is built to scale with your business growth so you only pay for what you need.

Power. Magnified.

Report with more depth
Say goodbye to static files via email. Binokula's interactive reports allow your partners to dig deeper into the data that powers their performance.

Eliminate blind spots
With complete, accurate and up-to-date reporting data, your business partners are able to make smarter business decisions aligned with your goals.

Focus on what matters
Binokula takes the hassle out of B2B report sharing, so you can spend more time focusing on what you do best.
